

Arthur M. Cambeiro, M.D.

Surgispa Cosmetic & Plastic Surgery

866 Seven Hills Drive #101 Henderson • 702-566-8300

Dr. Cambeiro is a Plastic Surgeon with extensive experience in cosmetic surgery. He completed his cosmetic, plastic and reconstructive surgery training at the world famous Mayo Clinic. Dr. Cambeiro is a board certified surgeon through the American Board of Surgery, scoring in the top 95th percentile in the nation on his certifying exam. Dr. Cambeiro utilizes his knowledge in psychology coupled with his surgical experience and technical skills to focus on the patient's needs of physical beauty as well as their inner-self.

Dr. Cambeiro and his staff emphasize three main objectives with every patient. First and foremost, we want to provide you with the most current, safe, effective procedures available. It is our goal to ensure that you have a positive experience and that your concerns, issues, and questions are our top priority. Our second objective is to provide an environment where our compassion, knowledge, and expertise deliver personalized quality patient care. We are dedicated to every patient and will strive to exceed your needs and expectations. Our third objective is to achieve your desired results. Predictable and natural looking outcomes are delivered using proven, effective surgical techniques. SurgiSpa is devoted to ensuring that your time spent in our clinic will be a positive experience, beginning with your initial consultation and ending with your final result.
